

Fórum Coimbra Shopping Center

Iconic shopping venue in Central Portugal wins highly prestigious international awards

Opened in 2006, Forum Coimbra is an eco-friendly, sustainable urban project that stands out for its high-quality construction and striking design, which has earned it several international architectural awards.

Located on the left bank of the River Mondego, Forum Coimbra is the biggest shopping centre in Central Portugal, with a gross leasable area of 45,000 m². Boasting a modern, urban, cosmopolitan design, the centre offers 143 shops, located on three floors, as well as six cinema rooms and a food court with 30 restaurants and 744 seats.

Boasting a remarkable track record in shopping centre building and development in Portugal and helping leading investors bring construction, renovation and expansion projects to completion, Engexpor was responsible for managing construction works and coordinating shop installation at Forum Coimbra.
