

## Hotel Marriott Lisbon

Size and prestige in the Lisbon financial district

Between Praça de Espanha and Sete Rios, in Lisbon, the Marriott Hotel is a genuine oasis in the busiest part of the city, providing visitors a classy, 4-star service with luxury.

No-one is left indifferent by the building's stunning, 18-floor architecture, with 577 luxury rooms, including 12 suites and a Presidential Suite, 18 meeting rooms covering around 2,000 m<sup>2</sup>, bar and restaurant, fitness center, stores and underground car park with 6,000 m<sup>2</sup>.

The back of the hotel has been transformed into a tropical garden spanning 4,000 m<sup>2</sup>, with a heated pool lined by palm trees.

In 2003, the hotel (formerly the Penta Hotel) was fully rehabilitated, making spaces more modern, welcoming and luxurious. Engexpor was selected to manage the project, thus efficiently guaranteeing the high standards of comfort and quality that Marriott wants to provide for its guests.
