

Pine Cliffs Residence

Designed for families with total convenience and comfort

Located in the middle of a verdant pine forest of outstanding beauty, overlooking the sea and next to the golf course, Pine Cliffs Residence, a Luxury Collection Resort is composed of 154 spacious 2- and 3-bedroom apartments spread over a total of 13 buildings.

Created with families in mind, the development is strategically placed near to the Porto Pirata Kid's Club, the Junior Club and other leisure facilities. The majestic arch that surrounds the residences allows the little "explorers" to be welcomed with all honor they deserve. Fully equipped kitchens and pleasant living areas create perfect harmony between world-class contemporary design and lush nature.

The development's opening takes place at Casa Pine Cliffs, for which we also carried out the project and works management. Our intervention also extended to infrastructure, landscaping and road system works, together with the construction of three plants that produce hot and cold water.
