

Pine Cliffs Vacation Club

Unique vacations with world-class perks

There are 78 2- and 3-bedroom apartments spread over three buildings, where traditional architecture is combined with the use of new technologies, and modern, high-quality materials.

With fully equipped kitchens, common living and dining rooms, private balconies or terraces that afford views over the golf course, Pine Cliffs Vacation Club is characterized by the excellence of its environment and service. Being on vacation with the feeling of being in our own home is the promise of this exclusive club, created for those who prefer not to make use of all the luxuries at Pine Cliffs but who like the freedom to choose where to spend their vacations.
