

Riverport Douro Hotel

Exclusivity and wide spaces to enjoy Porto's landscape

A new 4-star hotel is being born in Vila Nova de Gaia. Located in a privileged area, the Riverport Douro Hotel is just a 10-minute walk from the famous D. Luís Bridge, in addition to being close to the Ribeira area and the main artery of the city, Avenida da República.

The Riverport Douro results from the rehabilitation project of an old building, now converted into an exclusive hotel with 39 suites on 6 floors.

Project and construction management is ensured by Engexpor, which continues to grow in the hotel sector and gaining the trust of the Reference Arrojada Group, for which services are being provided in other hotel projects.
