

## Tivoli Carvoeiro Algarve Resort

Refurbishment results in a luxury hotel and resort

The Tivoli Carvoeiro Algarve Resort, with a stunning location by the cliffs of Vale Covo and breathtaking views over the Atlantic, has reopened after being fully refurbished in 2017.

The refurbishment has resulted in a magnificent hotel and five-star resort. 248 new rooms and suites, including the new Family Rooms created for families on vacation, highlight the luxury, comfort and convenience that the refurbished Tivoli Carvoeiro offers its guests. The new features include 6 restaurants with a wide range of options, the Tivoli Spa, a fitness area fully equipped and over 1,300 square meters with unique facilities for events of all kinds.

A benchmark in the Algarve hotel sector for over 25 years, the refurbishment of the Tivoli Carvoeiro Algarve Resort is an important event in the hotel's success story.

A benchmark in the Algarve hotel sector for over 25 years, the refurbishment of the Tivoli Carvoeiro Algarve Resort is an important event in the hotel's success story, which featured Broadway Malyan in the architecture project design and Engexpor in the project management phase, ensuring the desired standards of luxury, and delivering on time and within budget.
